ABOUT THE ORGANISERS -

Seva Sadan's College of Education

Seva Sadan's College of Education is the premier and pioneer institution founded by Late Seth Parasram Parumal Dabrai in the Year 1966 to meet the needs of the suburban people of Mumbai. It is the only Government Aided College of Education in Thane district of Maharashtra with 200 student's intake capacity in bilingual medium.

The College has been accredited by NAAC with A+ in the year 2004 and Re-accredited with 'A' on September 2011 in the 2nd cycle, Re-accredited with 'A' in March 2017 in the 3rd cycle, Re-accredited with 'A' in September 2023 in the 4th cycle. It is very noteworthy to mention that the College has been awarded **Best College** in urban category by **University of Mumbai** for the year 2011-12.

The College conducts courses right from certificate course in Nursery teaching affiliated to University of Mumbai, D.El.Ed. to Ph.D. (Education) and is the study centre for Open and Distance Learning in collaboration with IGNOU & YCMOU.

Western Regional Centre, Mumbai

The Indian Council of Social Science Research, an autonomous organization, was established by the Government of India in 1969. It, in turn, established the Western Regional Centre (WRC) with the approval of the Government of Maharashtra in January 1973 in collaboration with the University of

Mumbai on the new campus of the University of Mumbai at Vidyanagari.

It consists of three buildings – a wing of the Jawaharlal Nehru Library (1976), the ICSSR Hostel Building (1976) and the J. P. Naik Bhavan (1983). The ICSSR Conference Hall is located on the ground floor of the J. P. Naik Bhavan.

During the last thirty years, the WRC has grown into a fine and exceedingly useful institution. In fact, it has now been recognised as one of the best and most developed Regional Centers of the ICSSR in the entire country

About the Conference

Education is the key to bring about any change being it social or economic. It should keep itself abreast with the changing times to provide holistic education and produce learners that are ready to take on any challenges, find solution, achieve individual goals and thereby contribute to the nation's progress.

The world is undergoing rapid changes in the field of knowledge, innovation and invention. With the emergence of artificial intelligence, the labour market will undergo drastic changes, machines will replace manual labour, the need for skilled workforce, particularly involving mathematics, data analysis, multidisciplinary abilities across various discipline will be in demand. Understanding the need for transformation in the education system, the Government of India formulated a new education policy known as NEP 2020 that will encourage

multidisciplinary approach in teaching and learning, changing the school structure and transforming the higher education in the country. The conference aims to highlight few areas mentioned in the policy as well as analyse the challenges in its implementation.
